Frequently Asked Questions about the GED Test Registration Process

Where do I register?
Register in person at the GED Office located in the Adult Education Center at MTI’s West Campus at 5505 34th St. West (between Bayshore High School and the old MTI campus) in Bradenton.

What do I need to bring with me to registration, orientation, and the test?
1. A valid Driver License or a valid Photo Identification card or a valid Passport (any country). You may also use a military photo ID.
2. Your Social Security card (make sure you have signed it) if you wish to use your Social Security number as your test ID number. If you do not wish to use your Social Security number, a test ID number can be obtained for you from GED Testing Service in Tallahassee.
3. For the Orientation and Test, you will need your pink registration receipt.

How much does it cost?
The cost is $70, payable at the time of registration. The cost of the test will increase to $136 after December 31, 2013. All GED-related fees are non-refundable.

How long will the registration process take?
Plan on spending about 2 hours on campus the day you register. This will give you the time you need to speak with a counselor, fill out required paperwork and arrange for payment.

Can I take the exam on the day that I register?
• No. Registration and testing is a multi-step process.
• First, you must attend a 3-hour orientation session, which is offered on Mondays.
• The test takes two days and is given on a Tuesday and Wednesday, for up to 6 hours each day.
• See other side for orientation and testing dates and times. Both are offered day and evening.
• The orientation and testing dates will be assigned on a first-come, first-served basis.

What if I have questions and want to call?
