Dependent or Independent Student? Please check the appropriate classification

_____ I am an independent person and have maintained legal residence in Florida for at least 12 months.

A student who meets any of the following criteria shall be classified as an independent student for the determination of residency for tuition purposes:

1. The student is 24 years of age or older by the first day of classes of the term for which residency status is sought at a Florida institution;
2. The student is married;
3. The student has children who receive more than half of their support from the student;
4. The student has other dependents who live with and receive more than half of their support from the student;
5. The student is a veteran of the United States Armed Forces or is currently serving on active duty in the United States Armed Forces for purposes other than training;
6. Both of the student's parents are deceased or the student is or was (until age 18) a ward/dependent of the court;
7. The student is working on a master's or doctoral degree during the term for which residency status is sought; or
8. The student is classified as an independent by the financial aid office at the institution.

Applicants under age 24 can claim independence with proof of acceptable income and based on strict guidelines from Florida Statutes. See: http://www.leg.state.fl.us/Statutes/index.cfm?App_mode=Display_Statute&URL=1000-1099/1009/Sections/1009.21.html

_____ I am a dependent person and my parent or legal guardian has maintained legal residence in Florida for at least 12 months.

_____ I am a dependent person who has resided for five years with an adult relative other than my parent or legal guardian, and my relative has maintained legal residence in Florida for at least 12 months. (Required: A copy of most recent tax return on which you were claimed as a dependent or other proof of dependency).

_____ I am married to a person who has maintained legal residence in Florida for at least 12 months. I have now established legal residence and intend to make Florida my permanent home. (Required: A copy of marriage certificate, claimant's voter registration, driver's license and vehicle registration).

Residence in Florida must be as a bonafide domicile rather than for the purpose of maintaining a residence incident to enrollment at an institution of higher education. To qualify as a Florida resident, you must be a U.S. Citizen or an eligible non-citizen. Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal residents of the same state as their parents.

Person claiming Florida Residency must complete this section and sign.

If student is a dependent, documents and signature must be from a parent/guardian.
Include photocopies of two documents from approved list on back.
