

Marine Service Technologies

Program Content: The focus of the Marine Service Technology program is on outboard engines and 2-stroke and 4-stroke theory with an overview of inboard gas and diesel engines. Students will learn the use of tools, equipment, fuel and cooling systems and how to troubleshoot and repair boats and engines, rig boats with the proper wiring, and install engines, electronics, and accessories. MTC Marine Services Technology is a member of the American Boat and Yacht Council and National Marine Electronics Association. The course prepares students for SkillsUSA, Mercury Marine, Yamaha and Bombardier certifications.
