

## Welding Technology

<b>Program Content:</b>	The MTC Welding Technology program covers all four major welding processes including SMAW, GTAW, GMAW, and FCAW. Also included is an in-depth study of the American Welding Society welding symbols and blueprint reading for welders. Additional training such as Torch Cutting, Plasma Cutting, and Carbon Arc Gouging along with related equipment is also covered. Training will include basic to advanced welding positions on plate, on ferrous and non-ferrous metals. The MTC welding program is an American Welding Society Accredited Test Facility. We are proud of this excellence award which allows MTC to train, test and certify welders in accordance with the appropriate code laws standards.
