## VERSION VI TEAS TEST

### ATI Books & Study Guides

ATI is our testing agency. They offer a large variety of books and study guides for various prices. On their website, select *Product Solutions*, then *Pre-Program*, then **Test Essential Academic Skills**.

### MTC One-on-One Tutor

At MTC East Campus, Mrs. Barcena is available at different times of the day, Monday through Thursdays for a one-time fee of \$45.00. This includes one-on-one tutoring, access to a study site on your home computer which is coordinated with the TEAS study guide. This does not, however, cover the science portion of the test.

### Free TEAS Test Preview

<http://www.mometrix.com/blog/free-teas-test-prep-course/>

It has over 8 hours of free video tutorials and practice questions for the TEAS. You might want to link to it as a resource.

### Google

**TEAS YouTube** for a large selection of videos with tips on how to study, what to study, and what *these people did* to pass the TEAS.

**TEAS Telephone Apps** – open flashcards – there are a lot of free or inexpensive options for your smartphone available through iTunes or other.

#### Quizlet – Create a Free Account

Search for TEAS – flashcards, audio option, games and practice tests.

### Quizlet – Test Mode

Today we're proud to announce that Test Mode – which allows you to use any study set as a practice test is now available in the Quizlet App for iPhone/iPad and Android. It's one of the most popular study modes on the Quizlet website and the #1 requested feature by Quizlet mobile learners.

- **For iPhone/iPad** - <https://quizlet.com/help/does-quizlet-have-an-ios-application>
- **For Android** - <https://quizlet.com/help/does-quizlet-have-an-android-application>

With Test Mode, you can customize a practice test with multiple choice, true/false, or written questions. You'll get a score at the end to show how you might perform on an in-class test. If you'd rather not wait until the end of the test, just turn on our new "Instant Feedback" option that provides real-time feedback on right/wrong answers as you go – a feature available only in the mobile apps.
