Computer Systems & Information Technology

Program Content: This program is a planned sequence of instruction consisting of four occupational completion points. When the recommended sequence is followed, the structure is intended to prepare students to complete the CompTIA A+ industry certification. Sufficient coverage of advanced concepts and competencies will provide a summary of other industry certifications, including CompTIA Network+ certification. Students learn through hands-on labs, simulation software labs, instructor-led lesson plans, and other learning resources. They work individually and in groups to complete the labs, projects and build computer information systems.

Length of Program: 900 hours - approximately 9 months full time to complete
Class Hours: Full-Time: 8:00 a.m. - 3:00 p.m., Monday - Friday
Admission Dates: Fall Term: August, Deadline: June, or when classes fill
