

CNC Production Specialist

Short Description: This program focuses on computer numeric controls (CNC) as it relates to the automation, machining, and manufacturing industry, and demonstrates such elements of basic machine programming and operation aligned to local manufacturing career availability. 3, 4, and 5 axis machine training is all available

Program Content: This program offers a sequence of courses that provides coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for further education and careers in the manufacturing career cluster; provides technical skill proficiency, and includes competency-based applied learning that contributes to the academic knowledge, higher-order reasoning and problem-solving skills, work attitudes, general employability skills, technical skills, and occupation-specific skills, and knowledge of all aspects of the manufacturing career cluster.

The content includes but is not limited to broad, transferable skills, stresses the understanding of all aspects of the computer numeric control as it relates to the machining industry, and demonstrates such elements of the industry as planning, management, finance, technical and production skills, underlying principles of technology, labor issues, community issues, and health, safety, and environmental issues.

Admissions:

1. Apply to MTC at <https://manateetech.edu/apply-now/>. Submit your application to access your "To-Do List." You are not accepted into the program after applying, you must complete your do list.
2. Complete your "To-Do List" at <https://www.MTCdashboard.net>.

Note: The Basic Skills Assessment must be taken within 6 weeks of you admit date unless exemption criteria have been documented per State Statute. For exemption information, see the Student Handbook located here: <https://www.manateetech.edu/quick-docs/>

Length of Program: Full-time 600 hours – approximately 6 months full-time to complete.
Part-time 600 hours – approximately 10 months part-time to complete.

OCP	COURSE	HOURS
A	CNC Production Technician I – PMT0026	300
B	CNC Production Technician II – PMT0027	300

Dual Enrollment: Yes

Certification/Licensure: National Institute for Metalworking Skills (NIMS) Level 1, Autodesk CAM 2.5 Axis Mill Certification.

CTSO: SkillsUSA and/or HOSA are the approved cocurricular career and technical student organizations which provide activities for students as an integral part of the instruction by providing leadership training and reinforcing specific career and technical skills.

Articulation: May be available towards credits at Florida public colleges/universities. Speak with a Career Counselor for more information.

Location: MTC Main Campus, 6305 State Road 70 East, Bradenton, FL 34203. Tel 941.751.7900

Start Date: August, January

Day Class Start Time: Monday - Friday, 8:00 a.m. – 3:00 p.m.
Monday – Friday, 8:00 am – 11:00 am (Part Time)

Program #J200300		CIP# 0648050307
Estimated Tuition, Lab, and Fees <i>(includes \$60.00 administrative fee)</i>		\$3,119.00
Additional Fees Due Prior to Admittance		
Application Fee		\$45.00
Bookstore
